

Grandin Mall Opening draws huge crowds

Lions draw runner in Gopher derby

The St. Albert Lions Club were advised by letter dated Saturday that they had drawn gopher #5 to run in the seventh race in World Derby heats, on July 1st at Eston, Saskatchewan.

Sixty-four Lions Clubs in Canada, the Northwest Territories and the United States were drawn to sponsor gophers in the event which enjoys considerable nationwide publicity. If #5 is a speedy type, the local Lions stand to pick up a nice bit of prize money.

Celebrations and promotions for the gala opening of the expanded Grandin Shoppers Mall went over most successfully, and the Mall was crowded with visitors and shoppers from Thursday evening at 6, when the official ceremonies were staged, until close-up time Saturday night. Comments from all sides indicate that the facility is welcomed by St. Albert and district people

to the merchants, inviting the crowd to enjoy the Rodeo as well as the opening festivities over the weekend. Mayor Ray Gibbon had praise for the developer of the Mall, Mr. Krygier, who he said was co-operative in meeting the many specifications laid down by the town, and said he was pleased with the addition of the excellent shopping facility for St. Albert.

The Hon. Dave Russell, minister of municipal affairs, who congratulated both the business people and the residents and expressed his pleasure at being invited to attend by his friend of many years, Mr. Leon Krygier. Ernie Jamison, M.L.A. also offered his congratulations and best wishes for suc-

cess to the merchants, Mr. Krygier said the Mall was his first venture north of Calgary and that he was pleased with the full co-operation of the merchants and the response of the townspeople to the modern, closed in, air-conditioned Mall. Mrs. Krygier also attended the opening functions.

Following the formalities which officially opened Grandin Shoppers Mall on Thursday, at 6 p.m. a netfull of balloons was opened, releasing hundreds of gay balloons over the whole area, while the kids scrambled to catch hold of a few. Pulling the ropes to free the balloons were Art Smith, right, master of ceremonies, the Hon. Dave Russell, municipal affairs, M.L.A. Ernie Jamison and Mayor Ray Gibbon. At far left is Leon Krygier, president of Grandin Shoppers Park Ltd. Vic Post used a fish eye lens for the photo.

Frontier Daze is Go on all fronts this weekend

Two days of fun-filled celebrations like in the olden days mail, will draw thousands of visitors to Morinville this weekend for the annual Frontier Daze festival.

Get up early for the street breakfast from 7:30 Saturday morning, catch the parade at 10:30 headed up by the Hon. Horst Schmid, and hike on up to the grounds for midway fun, international luncheon, kids races

and so on. Baseball action starts at noon.

Place Pigale opens in the arena building at noon also, with lots of talented musicians and entertainers. 1:45 is starting time for the Morinville Pillars versus the Provincial Government Pundits on the softball field, and Joyce Smith and the Tune Smiths are on from 1 until 6 p.m.

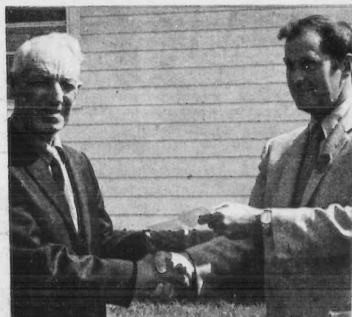

First Chariot race is at two and the Arts and Crafts

display opens in Cunningham School at two o'clock as well, and continues until nine p.m. Bingo and horseshoe tournaments are also on Saturday afternoon at the grounds. The Ham radio display opens at 3 for two hours.

Chuckwagon races go at 7 p.m. and the Cabaret at the Arena, with the Satellites starts at 10 p.m.

Grounds open again at noon Sunday with baseball and the MYR Dunk Tank fun. Arts and Crafts also on display at noon at the school. It's 12:30 for the Demolition Race - always a favorite. There will be gymnastics at the arena at 3, followed by the Morinville Drum and Bugle Band and don't forget the Chariot races at 4 p.m. Steaks and international foods will be served up between 5 and 7 p.m. with music by the Chalfoux Orchestra, followed by Chuckwagon Races.

Grand Finale is in the Arena at 8:30 p.m. with dancers, professional acrobats, Frontier Jane, the Gold Rush Kickers and fine musical entertainment. Awards, draws and prizes are slated for 10 p.m. including the Citizen of the Year Award. A blaze of fireworks will conclude the Daze celebrations at 10 p.m. Sunday.

Henry Terrault, left, president of the St. Albert Community League, presents a cheque for \$500 to Mr. John Grave, vice-president and coach of the St. Albert Salfish Swim Club. The funds represent a summer sports project for the league, who sponsored two hockey teams for their winter project this past year.

Kinsmen Rodeo

St. Albert's rained-out Rodeo 111 actually reads like a chapter out of the 'Old West' magazines. . . complete with overflowing saloons, hordes of disappointed people and even an unscheduled stampede of 65 horses running wild. Despite all these unwelcome events, the 'lost weekend' wasn't entirely lost. The Kinsmen, sponsors of Rodeo 111 revealed today that once expenditures and receipts are matched-up, the final deficit will be minimal.

Friday evening, while about 1,000 enthusiastic residents and visitors enjoyed the Kinsmen Beer Festival at the arena and applauded The Privilege, rain clouds doused St. Albert which marked the beginning of another 'lost weekend'. At about 3 o'clock Saturday morning the local RCMP spotted horses roaming in front of the police offices, along Highway 2 and causing traffic problems. The Kinsmen were notified while RCMP constables L.

Johannes and D. Groenhoff started clearing the highway. Soon, rodeo stock contractor Reg Kesler aroused some of his cowboys and the roundup was on. It took until late Saturday forenoon before all 65 rodeo horses were herded back into the corrals. One bunch of horses had strayed about four miles west on the River Road while another bunch had sought freedom at a point about 3 1/2 miles north-west of St. Albert. One of Mr. Kesler's most valuable rodeo horses, during his period of freedom, is presumed to have consumed polluted water and had to be destroyed. The horse was valued at -- \$1,500.00.

Kinsmen surveyed the corrals where the horses escaped from and evidence has become clear that the herd was stampeded willfully after the fence had been cut and thrown open. A reward of \$100 is being offered by the Kinsmen for information leading to the

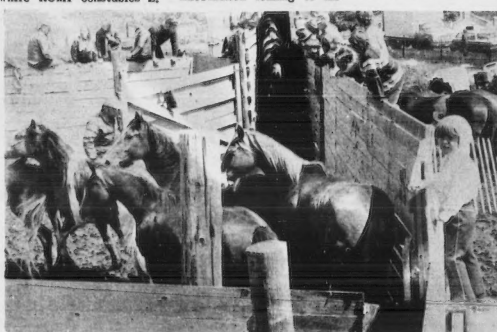

conviction of whoever is responsible for this act.

Rain didn't halt the popular pancake breakfast Saturday morning, nor did it interfere too much with the official opening of the Lion's bandshell by Town Councillor John deBruijn. It was reported that about 2,000 pancake breakfasts were served by the Lions, Grandin Shoppers Park Businessmen's Association and local officials.

Although Kinsmen Rodeo official ceremonies were not performed according to the program, Marcel Lambert, Edmonton-West MP, was seen enjoying many of the unofficial events Saturday such as the breakfast, some of the events at the arena and renewing old acquaintances.

While the rains continued to pelt this community, hundreds of brave people enjoyed rides at the Midway while hundreds of others were being entertained in the arena by a variety of performing groups. The Alberta All Girls Drum & Bugle Band

The small fry were irresistibly drawn to the rodeo stock pens when they visited the grounds last Friday evening. Like thousands of others they were bitterly disappointed when the rains spoiled St. Albert's biggest annual event. However the Kinsmen never give up, and Dave Stewart is already talking about 'next year'.

At their dress rehearsal these students from St. Albert School of Dancing having just practiced their routine ("The Ugly Bug Ball"), one of the many entertaining numbers to be presented this Friday at the schools annual recital.

Mrs. Doris Worobec of 41 Lambert Crescent, St. Albert was the lucky winner of a beautiful ladies' Red Hawk 10-speed bicycle drawn for during the Grandin Shoppers Park grand opening celebrations last Thursday. The bicycle was awarded to the winner by Marshall-Wellis Store, Tompkins Hardware owners. Above is Vern Tompkins congratulating Mrs. Worobec before delivering the bicycle to her home.

gave two performances, followed by the Klondike Drum & Bugle Band, The Pitch and Spice Singers, Sing-Out St. Albert and even the local rock group called The Gringos. Saturday evening, another capacity crowd jammed the arena during the second Kinsmen Beer Festival night and the performers were Erwin's Alpine Band featuring Gretyl, the outstanding yodeler.

Of course, many of the items on the program had to be cancelled, but during the two-day weekend event the Kinsmen managed to see to it that some entertainment was provided both indoors and on the grounds. The rodeo grounds were thrown open to the public, courtesy of the Kinsmen who wanted the people who didn't mind the rain too much, to enjoy features of the Midway . . . and many hundreds did. Meanwhile, the two top draws were held, namely the Kinsmen \$1,000 prize which went to R. Thurn of 81 Beacon Crescent who held ticket number 1763. The other important draw, for \$111, sponsored by the St. Albert Fire Department was won by Dave McKan of 22 Burnham Place with ticket number 1300. The draws for the bicycles and the pony have been postponed until next year's Kinsmen Rodeo

112. Donors of the bicycles, pony and saddle agreed to honor their donation at next year's rodeo. The donors are: Mustang bicycle, Western GMC; Gelding Pony, Chriss' Grocery and the Saddle, Macleod's of St. Albert. The men's 10-speed bicycle was donated by Shillington Furs Ltd. of Edmonton. Albert Hauptman, owner of the Bruin Inn and donor of the trophy rifle, awarded annually to the All-Around Champion Cowboy also agreed to hold the prize and present it next year.

Rodeo Chairman, Ken Pollon couldn't come up with exact figures on the rodeo weekend because at the moment there are many unknown expenses to be recorded, however he said, "while the losses from the rodeo are substantial we are hopeful that revenues from the beer festival will offset these losses." Mr. Pollon told The Gazette that his report to the Kinsmen will include a recommendation that another date for next year's rodeo be considered, "contingent on the availability of a suitable midway and rodeo stock contractor." He explained that the Kinsmen have to pick a suitable date for the annual rodeo . . . a date which permits them to retain a reputable midway and stock contractor.

Army, Militia, Town Hold Sturgeon Cleanup Meeting

A strategy meeting was held Monday between members of the Canadian Army, Edmonton Militia District and Town of St. Albert Parks personnel along with Mayor Ray Gibbon. Purpose of the conference, held in Town Hall here, was to define the responsibilities of each authority in the \$20,000.00 Sturgeon River Cleanup Operation funded by the Federal Government.

Present on the strategy talks were: Capt. Norman Lynch and his wife Capt. Donna Lynch, Major Lee

Ahlstrom all three members of the Edmonton Militia District. Representing the Canadian Army (regular) Capt. W. N. McKerracher. St. Albert Parks Superintendent John Beedle and Parks Foreman Claude Valiere took part in the discussions on behalf of their department while chairman of the 'parlee' was Mayor Ray Gibbon who acted in the best interests of the town.

It was reported by Capt. Donna Lynch that 88 applications were received for

the 34 existing jobs. "Selection of suitable candidates to fill all vacancies will be difficult," she said "because most of the applicants seen primarily interested in landing a hand in saving the Sturgeon River."

Equipment required to clear that portion of the Sturgeon River which courses about two miles through St. Albert include hand tools which the town volunteered to supply and heavy vehicles which the Militia will contribute. In addition, the 34 young workers will be equipped with rubber footwear, ponchos in case of rain and a few will be issued with hipwaders.

It was decided that the 'clean-up army' will start from the western edge of St. Albert and proceed down river. During their clean-up sweep, the corps will dig all refuse from the river's bed including that area on either bank, up to the high water mark. Heavier items like vehicle bodies will be hauled out by means of winches while smaller items will be piled along the river

bank to eventually be disposed of.

Major Lee Ahlstrom said the 34 successful candidates will first be escorted through the working area, then they will be given an opportunity to get in on an extensive two-day water safety program. Following this indoctrination period, work will begin in earnest.

It was further agreed that all young employees will provide his or her own lunch however, a mobile canteen will supply refreshments for work breaks. Plans are also being made to provide the young work force with an assortment of organized sports activities.

Capt. Norman Lynch asked The Gazette to issue an appeal to anyone in the St. Albert area who would be willing to contribute a flat-bottomed boat, punt or sturdy inflatable raft for this project. Anyone willing to participate by lending such a water craft please phone Capt. Norman Lynch at 599-8977.

Town Parks Superintendent John Beedle agreed to assist in supervising the project but only on the basis that both captains Lynch take care of the overall supervision.

winners of the St. Albert Sportshop plaques for best girl and boy athlete in Grade 8 at Father Jan School: Bernadette Dolphin, Ken Pollon of St. Albert Sportshop, who presented the trophy, and Doug Belley.

L. Bracko. The Riverside Sales Trophy for the winning house went to Blackfoot House, represented by leaders Bernie Dolphin and Doug Belley.

Ernan Kathol was presented with the "Orange Cult-

ar" award for his assistance to Mr. Kaminski's guitar option class. Presentations to each staff member on behalf of the student's union were made by Carolyn Ringuette, vice-president.

Top Scholastic Trophy Awarded Local Student

Barbara, 17 year old daughter of Mr. and Mrs. Sam Dolhagaray of 7 Scarborough Place, St. Albert, was awarded the St. Joseph Composite High School trophy and plaque for attaining the highest scholastic average of the school this term. Barbara obtained her overall average of 95 per cent.

Barbara was presented the award June 9th during graduation exercises held at St. Josephs and gets to keep the personal plaque while the trophy remains in her custody for one year only. The same trophy was won by another brilliant St. Albert student in 1969, Clau-

dette Carignan.

Miss Dolhagaray, since graduating has obtained employment with a city firm as a secretary-steno but aspires to a position as a legal secretary.

Man to salesman: "My trade-in is one of those marvelous '67s you went into ecstasies about when you were selling it to me."

Barbara Dolhagaray has every reason to be proud of her plaque and trophy awarded her by St. Joseph's Composite High School in Edmonton after having attained the highest average of the entire school, Barbara graduated from Grade 12 with an enviable average of 95%.

Parade

The Editor:

I was very disappointed when I heard that the parade was cancelled. I can't understand why, because Sunday was a nice day. I bet that the Alberta All Girls Drum and Bugle Band and all the other bands and floats were disappointed too. I hope you don't cancel the parade next year. I am 10 years old, and although you probably figure I am to young to complain, ... I'm not.

Janice Kolomyjec.

Parade

The Editor:

I was very disappointed when I found out the rodeo and parade was cancelled. I understand why the rodeo was cancelled, but why the parade? My family was driven down to where the parade was supposed to start. It was only then we found out it was cancelled. I'm sure everybody put lots of time and money into it and are very disappointed. It is a beautiful day, I'm 8 years old and visiting St. Albert. I'm extremely disappointed.

Kim Sanderson.

Parade

The Editor:

We sincerely wish to thank all those good-spirited St. Albert residents - both adults and children - who came to their curbsides to support us as we followed through with the originally planned, often cancelled 1972 rodeo parade!

Participants who joined with the Welcome Wagon Newcomers' Club were Miss Rodeo Queen, Ernie Jamison, Fortune Reilly, the Sea Cadets, and many children who ran excitedly home to dress once again in costumes they had worked on for so long.

The enthusiastic St. Albert residents who cheered us as we passed convinced us everyone loves a parade and we hope next year if the weather is a big factor in our rodeo that the parade will continue on with the many willing participants who don't mind a few drops of rain!

Bunny Ferguson,

Parade

The Editor:

I would like to express the disappointment I feel (and I know many others do too) at the cancellation of the parade this weekend. Many long hours of work and a great deal of money was spent in planning and preparing for this special event. I know several groups who tore their floats apart Saturday afternoon only to redecorate them that even-

ing when it was announced there would be a parade Sunday. Then two hours before the parade was scheduled to begin, on a lovely sunny day, it was again cancelled.

This was unfair to the participants and to the many excited youngsters, who were disappointed twice.

In the future, I feel plans should be made as to what will be done in case of rain and then they should be followed through.

As a final note, I would add that I'm sure the parade could have gone on very successfully, even in the rain. The turnout at the breakfast shows that the St. Albert residents spirit is not easily dampened.

Margaret McDonald.

It was just coincidence that the entire Walsh family were visiting the Grandin Mall at the time the draw was made, and they could hardly believe their good fortune when their name was called as winners of the fibreglass sailboat given away as part of the opening celebrations Thursday evening. Peter Zuidema, president of the Merchant's Association congratulated Sylvia and Laura, Edward and Stuart. The Walshes hope to get out in a week or so for their very first attempt at sailing.

Brenneis - Toma Wedding

St. Catherine's Church was the scene of a pretty wedding May 13 when Marlene Rose Toma, eldest daughter of Mary and Walter Victoro, Calahoo, became the bride of Wayne Conrad Brenneis from Morinville, son of Leo and Honoreana, before an alter decorated with baskets of white gladioli and pink carnations and yellow mums.

The bride, lovely in her A line cathedral train all lace gown accented with a nylon tulle lace trimmed veil and carrying a cascade of red sweetheart roses came down the aisle on her father's arm to wedding music played by Dawn Brenneis, Rev. Father Levanige of St. Albert performed the ceremony.

Marlene's attendants, Mrs. Grace Zapiski (mat-

ron of honor), Judy Bidney and Sandra Brenneis wore empire waistline, hooded gowns with flowers in their hair and carried flowers and lily of the valley in blue, green, yellow pink and white.

The best men, Eugene Zapiski, Bill Sutherland, Brian Brenneis, (groom's brother) and Terry Toma (bride's brother) were handsome in their dark colored suits to accent the handsome groom in his white coat.

Mr. Dennis Bretzloff and Mr. Bernard Girard ushered the guests for the completely different and lovely wedding.

The bride's mother wore a two piece blue ensemble with white accessories for the mass and for the reception. Mary chose a floor length evening gown in blue print organza, silver accessories and an American Beauty Rose corsage.

The groom's mother wore a two piece blue ensemble with white accessories and her corsage was white roses tipped with pink.

The head table was graced with a beautifully decorated three tier cake. The Morinville Recreation Centre was filled to capacity for the occasion.

Marlene's travelling costume was a yellow knit dress with dress length vest trimmed in yellow. The happy couple reside in Calahoo and plan a trip to Mexico in the fall.

Briefs urge provincial aid to Lacombe Museum

On behalf of the Father Lacombe Museum in St. Albert, Arlene Borgstede and Father Colin Levanige each presented a brief to the public hearings held the first week in June by the Advisory Committee to the Environment Conservation Authority on the conservation of historical and archaeological resources in Alberta.

Father Levanige reviewed the history of the museum from 1927 when under the leadership of Father Jan a group of citizens became interested in the preservation of the original log church, built in 1861. A make-shift shell erected around the church has now badly deteriorated. He also described the "overwhelming" response to an invitation in 1969 to volunteers to become involved in museum work, and what has been accomplished, with the help of volunteers and an administrative board.

"The preservation and development of historical sites depends on financial assistance," said Father Levanige, who expressed his conviction that senior governments must find means to become involved in the financial assistance of smaller museums, such as the one in St. Albert.

Mrs. Borgstede's brief noted that the historical im-

Council Endorses Proposal To Retain Site

Commenting on the Athabasca University site, Councillor J. J. Bakker at Monday's regular council meeting made recommendations which were approved in his motion.

Before making the motion Councillor Bakker talked on what the designated area for the proposed university meant to St. Albert. He agreed that plans to build were stalled but voiced his opinion that council should take a firm stand to protect this designated area.

"We fought for five years to obtain this site for a fourth university in this province," he said, "and during five months of the present government, we're going backwards."

In his motion Councillor Bakker proposed that the land, designated for the pro-

posed University of Athabasca remain zoned 'agriculture' and that said land be specifically designated for educational use. Added to his motion was the proviso that council's stand on the matter be communicated to the provincial government, department of education. The count on this motion came out to 5 - 1 and was thus carried, Councillor Lukay cast the dissenting vote.

Representing the cyclists of St. Albert, Peter McCaffery presented to council a 10-point proposal regarding cycling training, regulations and safety rules for St. Albert. In his proposal, Mr. McCaffery pointed out that St. Albert cyclists appeared to be indifferent as to the condition of their bicycles, sloppy in their driving habits and obviously lacked in the fundamentals of road courtesy. His proposal strongly suggested that cyclists be trained in schools where such training would be part of the

school curriculum and followed-up throughout the student's school years. Mr. McCaffery further proposed that bicycle training be removed from volunteer groups. He explained to town council that their endorsement was most vital and that he will present his proposal to both school systems.

Councillor Hudson moved that Mr. McCaffery's proposal be accepted in principle and referred to the Police Commission for further study. The motion was carried 5 - 1. Councillor Kambouff cast the negative vote.

June 28 and 29 at the Clubhouse (beside the pool) between 7 and 9 p.m. on each evening.

All qualified Red Cross instructors are invited to attend the Red Cross examiners' clinic which will be held on Thursday, June 22 from 9 a.m. to 12 noon. The last mother and child swim of the season will be held on Thursday, June 22 from 3:15 - 4 p.m. Those who attended these sessions and obviously enjoyed them are reminded of the family swimming sessions. These can serve the same very useful purpose of introducing children to the water. All children must be accompanied by their own parent or parents. There will be six family swim sessions each week during July and August.

The schedule for the next two months will be published next week. Applications for season tickets are still available at the Town Hall.

TENNIS:
Apart from the Thursday and Friday classes (which were rained out a few times) tennis lessons are over for another year. The classes, organized by the St. Albert Tennis Club in co-operation with the Department of Parks and Recreation were very popular and over the years have done much to stimulate interest in the game in St. Albert.

Ladies are encouraged to come down to the courts on Thursday mornings at 10 a.m. and meet other ladies who are interested in playing during the day - no prior arrangements are necessary.

Members of the public are again reminded that gym or tennis shoes MUST be worn on the courts.

A record number of 84 entrants participated in the June 10 - 11 Invitational 'B' Tennis Tournament held here in St. Albert. This was the fifth annual event. Frequent rains showers during that weekend forced the secondary events to be postponed to Sunday, June 18.

Tournament Draws 84 Entrants

The fifth annual St. Albert Invitational 'B' tennis tournament was a very successful event -- in spite of the weather. It attracted a record number of 84 entrants, and the calibre of tennis was high. The tournament was held the weekend of June 10 and 11, but because of rain, the secondary events were only completed Sunday, June 18.

Mark McIveen of the Royal Glenora Club was again the men's singles winner and Kathy Moore of

Garneau won the title for the ladies. In the men's doubles event Max Jean-Louis and Dave Cox, both of Garneau, came out on top. Loretta Reid and Martin Orchard from Fort Saskatchewan won the ladies' doubles event, and Kathy Moore (Garneau) and Ken Olaschuk (Royal Glenora) took the mixed doubles.

Secondary winners were as follows: Men's singles --

Cal Edwards of Hillcrest; Men's doubles -- Ab Glowicki and Dave Mellor of Hillcrest; Mixed doubles -- Sue and Jay Taylor of St. Albert; Ladies' singles -- Sue Taylor of St. Albert; Ladies' doubles -- Anne Kirk and Sandy Warren of St. Albert.

The tournament was ably run by tournament organizers Bernice Parsons and Clark Warren.

Sailfish Plan July Meet

By Cathy Medland

Another season of training is in full swing for the St. Albert Sailfish. The competitive swim club has won the Provincial Trophy two years in a row and hopes to be able to bring it home again this year.

Many hours of training are put in by the swimmers during three practices a day including a 6 a.m. practice coached by early-riser John Grave. All this practice leads up to competition in meets scheduled for nearly every weekend in the summer. This first meet will be held here in St. Albert at Grosvenor Park Pool on July 1st and the last will be the Provincial Finals in Calgary on August 26 and 27.

This year the Sailfish have invited only four out-of-town teams to compete so the meet can be completed in reasonable time. The invited teams are Hinton, Edson, Westlock and Redwater. During the summer several dual meets are planned with teams from Fort Saskatchewan, Camrose and Drayton Valley.

Head coach is Don Croft who has 10 years of competitive swimming behind him. He has brought with him a pacing clock which enables the swimmers to check their own times as

they swim. Team captains are Barb McCaffrey and Tom Kehoe.

Recently a meeting was held of the parents of the swimmers. Many plans were formulated for summer activities including trips to Hinton and Edson. The 1972 executive, elected at the

meeting is: President, Jim Kehoe; vice president and treasurer, John Grave; secretary, Noreen Medland; Officials Chairman, Jim Grieve; Records Secretary Peter Sandomirsky; Meet Managers, Ann Kehoe and Dianne Sandomirsky.

Rain hampers Villeneuve ball

What started out to be a 10 team fastball tournament June 10 - 11 in Villeneuve was reduced to three teams due to the weather.

Action on Saturday saw only two games, with Calahoo blasting Drayton Valley 9 - 2, while the Villeneuve and Western Movers game ended in a 7 - 7 tie when the rains came.

Due to the threat of rain on Sunday, only CJD, Calahoo and Villeneuve showed up.

In the opening game CJD posted a close 5 - 4 win over Villeneuve to enter the final against Calahoo.

CJD had no trouble in this game, scoring a decisive 6 - 1 win to take home top money. The two losers then played off and Calahoo went eight innings before scoring a 7 - 6 win over Villeneuve.

S.A. Little League Baseball Standings

As of June 16 the results of the Little League schedule were as follows: (Standings are based on ratio of wins over number of games played).

MR. & MRS. RYAN BORLE

Local couple married in candle-light ceremony

On Saturday, June 10th, the St. Albert Roman Catholic Church was the scene of a candlelight wedding uniting Ryan Borle, son of Mrs. Gladys Borle and the late Germain Borle and Joan Wilson, daughter of Mr. and Mrs. Roy Wilson all of St. Albert.

The wedding mass was celebrated by Father Colin Levangie and Father John Burns, cousin of the bride. White gladioli decorated the church which the bride entered on the arm of her father and mother. She wore a gown of floor length white peau d'elegance with a slight train and matching hood. Her bouquet was a cluster of yellow spring daisies.

The bridesmaids Miss Sylvia Lyndon and Miss Nancy Perraton wore identical floor length gowns of mauve peau de chrome. Miss Trudy Wilson also attended her sister with matching gown of lime green. The flower girl Miss Colleen Wilson wore a lime green floor length frock. They all carried nosegays of large yellow mums.

The groom was attended by Mr. Barry McGillis, Mr. Lorne Biele (brother of the groom) and Mr. Dan Wilson (brother of the bride). The ring bearer was Master Perry Terrault (cousin of the groom).

Music for the wedding was played by Mrs. Berntha Kennedy and the soloist was Mrs. Doris Teller. For her daughter's wedding Mrs. Wilson chose a

floor length gown of multi-colored blues and wore a corsage of deep pink sweetheart roses. Mrs. Borle wore a deep pink flowered gown with corsage of white carnations and pale pink sweetheart roses.

The couple left for a honeymoon to the mountains. For travelling the bride donned a white fortrel pant suit with navy accessories and white orchid en corsage. On their return they will make their home in St. Albert.

Korenowski - Pelletier Wedding

St. Andrew's Roman Catholic Church, Edmonton was the scene of a pretty afternoon double ring wedding recently, when Miss Alice Pelletier, daughter of Mr. and Mrs. Thomas Pelletier of Morinville, and Mr. Ernie Korenowski, of Swan Hills, son of Mr. and Mrs. William Korenowski of Edmonton were married by Rev. W. J. Hespe.

Given in marriage by her father, the radiant bride chose a white gown of nylon crepe, lace trimmed the fitted bodice, accented by round neckline and long lily pointed sleeves. Her full skirt was also lace trimmed and flared into a train. A short bouffant net veil was scalloped edged and held by a tiara of rhinestones and she carried a cascade of tangerine and white roses, with satin streamers.

Legal couple wed at St. Emile's

By Lucienne Montpetit

St. Emile's Church at Legal was the scene of a beautiful June wedding when Irene Tieulle was united in holy matrimony to Gaston Parent in a double ring ceremony.

Irene is the daughter of Mr. and Mrs. Jean-Marie Tieulle, Gaston is the son of Mrs. Veronique Parent and the late Emile Parent. The nuptial mass was celebrated by Father Roland Bissonnette.

The bride, given in marriage by her father, looked lovely in her graceful gown of white satin, high waisted with french lace along the princess seaming line in front of the gown. Her long detachable train flowed gently from the waist. Her bouffant veil was held in place by a cluster of water lily shaped leaves, covered with nylon, and edged with simulated pearls, centred by a double nylon bow. She carried a bouquet of yellow roses accented with white lilies of the valley.

Bridesmaids Rita Tieulle Cecile Tieulle (sisters of the bride) and Sylvia Auger chose identical orange ice polyester crepe floor length gowns with empire waist banded by white daisies, the short puffed sleeves and the neckline were also trimmed with daisies. Matching daisies adorned their hairdos. They carried nosegays of

yellow baby roses and orange ice mums.

The best men were Louis Lecavalier, Georges Repinbald and Ronald Boisvert. Ushers were Lin L'Heureux and Robert Parent. The soloist was Louise Regimbald and Patsy Montpetit was organist.

For her daughter's wedding Mrs. Tieulle chose a warm plunk fortrel dress with a sleeveless lace coat, with pink roses en corsage.

For her son's wedding, Mrs. Parent wore a light pink dress and coat ensemble complimented by a corsage of pink roses.

A banquet and dance was held at the community hall with Raymond Tremblay as master of ceremonies. Mr. Wilfred Lecavalier proposed the toast to the bride.

Following their honeymoon to Victoria the happy couple will reside in Legal.

St. Albert

The staff of Albert Lacombe School joined with the choral group from grades 4, 5 and 6 to present a concert on Thursday evening, June 15, under the direction of Mrs. B. Kennedy. A varied program was given, from religious themes to popular numbers.

Between groups of songs, several children performed: Dianne McDougall - ballet; Julie Rumpel - tap dance; Lori McDougall - tap; Liane Lynch, Leah Moore, tap dance; and Rhonda Rumpel - baton.

nylon crepe gown with brown accessories and sweetheart roses en corsage. The mother of the groom chose an apple green dress with white accessories and also a corsage of sweetheart roses.

Master of ceremonies was Mr. Marcel St. Onge, of Legal and Mrs. Robert Pelletier, brother of the bride, proposed the bridal toast.

Later in the evening some 350 guests were entertained with dancing. Out of town guests included Mrs. Eva Goulet, Zoville Home, grandmother of the bride; and others were from Toronto, Calgary, Barrhead, Castor, Westlock and Edmonton.

Our trip to the Peace River

By Angeline Auger

Our trip to Peace River was a very exciting one. We left from Legal on Mr. Real Champagne's bus and he came along with the grade seven class with his wife, and Mr. and Mrs. Tremblay. We had our lunch at the Slave Lake campsite which is very beautiful with its trees, lovely flowers and brightly painted tables. Our third and last stop of the day on the Legal bus was in Girouxville at around 3:30 where we met the grade seven students and went to their homes. We were accepted warmly with open hands and this was very pleasing for us.

On the second day of our four day trip we went to Mr. Laurier Ouellette's honey plant, in Girouxville where we learned many things on bees and how honey is made. Mrs. Ouellette explained everything for us. Bees come from California and make honey and beeswax which is used for polishes and candles. The bees are fed syrup in small pans in the field in hives, two layers high. Later the bees feed on flowers. When the honey is made, the frames it is on are decapped and put into an extractor which takes the honey off. The wax and honey is put into a spinner which separates them. The honey is put in large barrels and sold at 25¢ a pound and the wax for 75¢. The frames are then put back in boxes and sent to the field again. One beehive must contain a queen, workers, and drones. The explanation was very interesting for us.

Also that day we went to see the gorgeous church park of Girouxville and many of us took pictures of statues, little bridges, and the church. We went to see the cemetery, beautifully decorated with flowers, and followed little paths in the woods.

In the afternoon we went to Blue Bridge for a picnic with the grade sevens of Girouxville and Jean Cole. This is a campsite and we all played football, baseball and other games. Mr. Key and Mrs. Durand accompanied us to Blue Bridge. At 3:30 we went back to the homes again with the students from Girouxville.

On the third day we went to see the Girouxville Museum which is filled with lovely antiques, such as old lanterns and very old books. There were many animals beautifully stuffed and there were many old machines such as old drills, butter churners, and a 12 foot long skidoo. Old rifles were included and old bear skins were hung on the wall. Mr. Tremblay's brother Leon drew lovely pictures to put in the museum. Most of the pictures were of bishops of the Peace River country. We had a tour with Father DesRocher who explained the history of the Peace River country which is the purpose of the museum.

We went to Dunvagan Bridge for our first wiener roast which was followed by a series of others. We went on the suspended bridge and admired the beautiful hills covered with trees. We visited a little museum and temple there which were built by missionaries. In the temple was an altar with a book on it for visitors to sign. The museum was filled with prehistoric rocks and a moose head. Then away we went to Peace River the place we were so anxious to see. We visited the statue of Twelve Foot Davis and then climbed the hill to his grave. Climbing the hill was a difficult task but very good exercise. The view was beautiful from up there, the rivers, trees, and houses. After this we travelled on to St. Isidore where we had a wiener roast on Mr. Leopold Bergeron's farm. We stayed in homes in St. Isidore overnight.

On Sunday we went to 11 o'clock mass with the families we stayed with. After mass Mr. Tremblay thanked everyone there for making the trip so nice. At two o'clock we left for Legal.

Some of the highlights of our trip were the Peace River, Big and Little Smoky Rivers, Athabasca River and Lesser Slave Lake. The grave of Twelve Foot Davis, the beautiful church parks and most of all the Girouxville Museum, all very interesting things to see.

On our way back we stopped here and there at filling stations for gas and pop and had our supper at a campsite about 50 miles from Westlock. This was also a wiener roast, our third one, but we didn't really care, as long as we ate. We sang all through the trip and enjoyed ourselves very much. Thanks to the school board, Mr. and Mrs. Tremblay, and especially everyone from Legal, and the surrounding areas who supported the grade sevens. We had a very thrilling and exciting trip!

HORSE TRAINING:

There has been interest shown in the Carbondale area for horse training sessions for children. These sessions would include teaching youngsters how to be safe around horses and also how to teach their horse to be safe. There will be an organizational meeting some time during the week of June 26 - 30 in Carbondale. If you are interested in these sessions contact Mrs. Mary Forest 759-3971 or myself 424-6276 or 256-3322 for more information.

The instructor for this course will be Mr. Leon LeClerc who has a great deal of experience dealing with both dogs and horses so I am sure the course will be of great benefit to those attending. If there is interest in any other district for either of the above mentioned courses contact me at the office and we will arrange for them to be set up.

There has also been a considerable amount of interest in Carbondale for the organization of a playground. When our summer arts and crafts specialist is hired we will be arranging a meeting in Carbondale for the purpose of arranging for summer activities so be watching for the meeting date.

I would like to thank the

Villeneuve Athletic Association for the great time both myself and my wife and our guests had on Friday, June 16. I would also like to congratulate everyone in Villeneuve on the tremendous job done in building such a fine structure as your community hall. Having a community hall such as this one exemplifies very well the great community spirit in Villeneuve.

Calahoo News

By Liz McLeod

The Calahoo Sports Association sponsored a farewell party for Dennis Bretzlott on Saturday, June 17 at the Gazebo with a good crowd turning out to wish him bon voyage and good luck in his position as Alberta Wheat Pool agent transferred to Mayerthorpe from Calahoo.

Calahoo's sports grounds are a beehive of activity these days (when it's not raining) with all the ball teams we have this year.

The Calahoo Chiefs lost out in the Hootenanny Days at Spruce Grove, but they are faring well in league games.

The boys A and B teams with Serge Grioux coaching are doing real well and played each other last week with the A team winning 8 to 5.

The game against Riviere Qui Barre scheduled for June 18 didn't materialize so the spectators and players organized their own games and had a good time.

There is an eight game ball tournament planned for June 24 to 25 in Calahoo.

Sturgeon MD Approves Extensive Road Network Upgrading Program

The regular June meeting of the Municipal District of Sturgeon held Thursday and Friday of last week involved such a heavy agenda that members of the council were worried whether they'd get the work done in two days. As Reeve Walter Van de Walle said, "with all the business we had to deal with, the delegations and all, we started wondering if the meeting would carry into Saturday." But we did it, although we had to rush things a bit during the final hours of Friday night he said.

Annual provincial road grants were received and come to \$74,940, being 75 per cent of this year's program totalling \$99,933. The remaining 25 per cent comes out of the municipal district's public works budget.

The present office posting and business machine, being outdated and showing wear has been traded-in on a new L-5000 computer which will handle payroll, the tax roll, assessment roll, general disbursements and other programmed functions. This item is a \$25,600 expenditure which includes programming and the training of a staff member. This expenditure will appear in the 1973 budget.

The County of Parkland has agreed to participate with the MD of Sturgeon in a \$30,000 project to up-

grade and construct a four inch cold mix surface on 125th Avenue between 149 and 156 Streets. The County of Parkland's portion will amount to \$16,600 while the MD of Sturgeon's share will come to approximately \$12,400, and will be in charge of the project. The upgrading of this vital avenue will be completed this year.

A report was received at the meeting from the superintendent of public works that the six-mile stretch of road, known as the Correction Line, running between Highways 28 and 2 has just been hard surfaced by the Provincial Department of Highways and Transport.

An application has been submitted by the Municipal District for a debenture loan of \$100,000, from the Municipal Finance Corporation for the upgrading of roads into the Sturgeon Industrial Area. The monies have been earmarked to upgrade 137 Avenue, west of Highway 2 and from 137 Avenue south on 156 Street to the City of Edmonton boundaries.

In view of the limited capacity of the refuse disposal grounds located south of Bon Accord, a delegation from the villages of Bon Accord and Gibbons met with the MD Council, pursuant to scheduled appointment. The villages had previously been notified that the refuse disposal grounds will

be closed in December of this year, following a recommendation from the MD's department of public works. The delegates, armed with a petition signed by 209 residents of the area, made a strong presentation in opposition to the refuse grounds' termination order. No solution to the question was arrived at and the problem was referred back to committee for further study.

Reading on a meeting with Hon. Clarence Copthorne, minister of highways and transport, the Municipal District of Sturgeon has prepared a list of road priorities for 1972 at a cost of \$789,155. The six-pronged list includes the total cost for oiling, graveling and maintenance of the following roads within the Sturgeon network:

- 1) Villeneuve Road north south to the Correction Line
- 2) 156 Street area and east Gibbons Road. These roads service the industrial areas outside the Municipal District and it is felt that a joint-use policy here has to be discussed.

- 3) Upgrading of present cold-mix roads now in use within the MD.

- 4) Request to upgrade and pave 37A Highway from Nampoo east about seven miles.

- 5) Upgrade and pave about three miles on the Evergreen Road from Highway 15 east to the gravel pits.

- 6) Riviere Qui Barre-Alcomie SR 795 from the Correction Line, northerly for construction, upgrading and paving.

A representative from the Village of Legal received approval in principle from the MD Council for the purchase of approximately 14 acres of land for a sewage lagoon site. Council gave its approval subject to the publication of intent and an appraisal of public reaction.

MD Councillor Ed Courchesne was named representative of the Farm Purchase Advisory Committee.

All interested residents of the MD of Sturgeon are reminded of the public hearing on the General Plan of the MD, scheduled for Monday, June 26 at 8 p.m. in the Nampoo School.

He is survived by his widow, Marie Louise, two sons, Henry of St. Albert, and Philip of Edmonton; two daughters, Mrs. Lucia Berube, Villeneuve; and Mrs. Jeanne Vervynck, Morinville; 14 grandchildren and 15 great grandchildren; three sisters and one brother in Montreal.

Six grandsons were pallbearers: Marial Berube, Villeneuve; Marcel and Philip Poirier, St. Albert; Richard Poirier of Edmonton; Paul and Jerry Vervynck from Edmonton.

To Mrs. Poirier, a pioneer of the district, and to all members of the bereaved family, a sincere expression of sympathy on behalf of the entire community.

Dr. Stewart takes Bride

By Rose Mariel

Dr. Stewart Behiels, son of Mr. and Mrs. Oscar Behiels of Morinville, and Miss Linda Miller, daughter of Mr. Robert Miller of Edmonton, and Mrs. Dorothy Martin, also of Edmonton, were married in a double ring ceremony in St. John the Baptist R.C. Church by Rev. Father G. H. Primeau in a lovely afternoon double ring ceremony on June 3. Organist Carmon Boissonault played the wedding music.

The bride, given in marriage by her father, was charming in a white model gown of nylon voile over taffeta, featuring a high waistline, fitted bodice, with square neckline, leg-of-mutton sleeves and a bouffant skirt, tiered in spanish style. Her long lace mantilla veil was held by a crown of seed pearls and she carried a cascade of white roses and lily of the valley with satin streamers.

Her three attendants were her sisters, Mrs. Patricia Pequin of Vancouver as matron of honor, and Miss Peggy Miller and Miss Cory Cochrane, both of Edmonton. They wore pastel yellow nylon crepe gowns, featuring shirred waistlines and shirred sleeves, with white accessories. Each carried a bouquet of mixed roses and carnations. Petite Tracy Pequin of Vancouver niece of the bride, was flower girl, in a miniature gown and white accessories and miniature bouquet to match the bridesmaids.

The groom was attended by Dr. Richard Wright of Calgary as best man, Mr. Neil Jonzon of Edmonton and Mr. Glenn Behiels his brother.

After the ceremony a reception and banquet was held at Club McComb, followed by a social evening attended by 250 guests. Constable Douglas Brisson of the RCMP from Stony Plain, a brother-in-law of the groom was master of ceremonies. A toast to the bride was proposed by Mr. Albert Kepchen, her uncle, of Stony Plain.

Mrs. Martin, mother of the bride, wore a green nylon crepe gown, with gold accessories and white roses on corsage. The groom's mother chose a nylon jersey gown in navy and white, with

Hildeg Poirier dies

By Rose Mariel

On June 11th death came to Mr. Hildeg Poirier, 79, after a long illness. Funeral services were held in St. John the Baptist Church in Morinville on June 14, with Rev. G. H. Primeau celebrating. Interment followed in the local church cemetery. He had been a resident of the town and district for the past 63 years.

Born in St. Cleophas, P.Q. on July 12, 1892, he came alone to Morinville at the age of 16 years, and began working as a farm laborer, for the late Thomas Houle in Morinville. He married Marie Louise Houle in 1914 and four children were born from the union. The couple farmed in Morinville, Legal and Bushby.

In 1938 Mr. Poirier joined the staff at Wilfrid La-bonte's Meats in Morinville

A small gymkhana will be held at Namao on June 28 at 6 p.m.

The next general meeting of the Namao Gymkhana Club will be held in the rink shack on June 26 at 8:30 p.m.

Namao School and Community League Klondyke Supper Dance will be held in the school gymnasium on Friday, July 21 with music by the Satellites. Tickets are available from the executive.

Sympathy of the Namao district goes to Mrs. Gladys

Gibson and her family in the loss of her mother, Mrs. Florence Atkinson, who passed away on June 7. Mrs. Atkinson was born in Pine Tree, Ontario in 1889 and came west in 1912 to live with her brother Fred Siebert in Edmonton. She attended McTavish Business College and was also a dressmaker. In 1919 she married Thomas Atkinson and came to live in the family home 1 1/4 miles east of St. Albert. Here the couple had two children, daughters Helen and Gladys were born. She was always interested in the local community, working with the WI and Red Cross. Mr. and Mrs. Atkinson retired to West Edmonton in 1952 where she became very active in Westminster

United Church. She is survived by daughters Helen Naundorf of Fort Saskatchewan and Gladys Gibson of Namao, eight grandchildren, one great grandchild, her sister Mrs. Marguerite Atkins of St. Albert and brother Fred Siebert of Edmonton.

Mrs. Katie Davis has returned from a three week holiday in England, Holland and Germany with her son Lenard and his wife. They spent most of their time in England where they rented a car and toured to Scotland. She found the weather very cold and damp and was glad to be home in sunny Alberta. Sympathy of the district goes to Mrs. Davis and her family in the loss

of her older brother, Jake Borson who passed away at 89 years of age in Edmonton while she was away.

Mrs. Robert Samis would like to invite ladies interested in seeing her gifts to drop in for tea at Apt. #3, 9911 Saskatchewan Drive on Tuesday, June 27 between 10 a.m. and 9 p.m.

BON ACCORD

By Sade Allen

Bon Accord's annual baseball tournament is slated for July 7 and 9, with teams from Vimy, Le Gal, Morinville, Redwater, Grassland, Lamont, Glenevis and Bon Accord entered. A horse show featuring one or two gymkhana items will be held in conjunction with the tournament on July 8th. Entry forms for the show will be available from any 4H Light Horse Club member after June 24.

Old time residents, Mr. and Mrs. Walter Strawson were back in the district this past week for a short visit with sons Irwin and Art and families and friends in the area. They accompanied their daughter and son-in-law Gwen and Fred Arnold who motored here from Vancouver. Also visiting were another daughter and son-in-law from Carstairs, Amy and Herman Miller.

The boys baseball playoffs will take place at Gibbons on Saturday, June 24. Minuties and bantams play Horsehill and Namao respectively at 9:30 and mites and peewees play Gibbons and Namao at 12 noon. Final game for the bantams will be played at 3:30 while

finals for the other groups go at 2:30. Proceeds after expenses will be divided between the four centres.

Lorraine and Linda, daughters of Al and Enid Ramstad have spent the last six weeks attending Bible Study School. Lorraine at Guelph, Ontario and Linda at Calgary. Both girls are planning on entering the missionary field.

In the only Bon Accord senior mens' game played last week Bon Accord topped Gibbons by a 12 to 0 score. Bon Accord will play Vimy at 12 noon at Morinville on Saturday, June 24.

Bantam girls added another scalp to their belts and provided fans with an entertaining Sunday afternoon by winning over the visiting team from Glengarry Community League in Edmonton. So far the girls have lost only one game in league play, dropping one to Legal last week.

A rain-out was the verdict for the Frontier Daze celebrations last weekend, but all the fun has only been postponed until this coming Saturday and Sunday - June 24 - 25. If the weatherman obliges, all of the two day celebrations will take place as scheduled.

Recently 10 members of the student union executive, Vanier School, held a year-end social evening with a dinner and show in Edmonton. Drivers for the group were Gerard Houle, vice principal and Rose Martel.

The Board of Trade is sponsoring Mr. and Mrs. John Stevens from the district, as candidates for Sturgeon M.D. for the Farm Family Award 1973. Both have been very active in community projects, and good church supporters. They have been leading breeders of Black Angus cattle for years, and Mr. Stevens has been member of the United Grain Growers Association Executive and district as well as Alberta representative on the National Board for the past

24 years.

It was with deep regret that it was learned this past weekend that Mr. Roland DeTennancourt, 50, of Fort St. John, passed away after a very long illness. Funeral services were held on Tuesday of this week in his local parish. His uncles, Mr. Rom and Gustave DeTennancourt, as well as other relatives attended from Morinville. He is survived by his widow, Rose, three children, and one sister Mrs. Georgetown (Rivet) Hyett of Fort St. John.

Mr. and Mrs. Joe Leduc motored to British Columbia to visit their married son Raymond, and family recently.

Recently Mrs. Jeanne (Turgeon-Ethier) lost a black wallet with a button snap in front of IGA in Morinville with \$50 cash in it. It would be appreciated if the personal papers belonging either to Mrs. Jeanne Ethier or her brother Lucien Turgeon would be returned to the owners.

It was reported that a sum of cash was missing from the rectory lately. Last week the high school was broken into and damage was done to pop machines and a window was broken. Gasoline thieves are also very busy, and gasoline tank locks are very good investments these days.

The Golden Age Clubcard players, who planned a ban-

quet and social in the Legion Hall June 25, will be glad to know the event will still take place after Frontier Daze. The fishing trip and picnic for the Senior Citizens on Wednesday, July 5 will take place as scheduled, weather permitting. The bus will leave the Morinville Centre at 9 a.m. sharp and each is to bring his or her own lunch and cold drink for a picnic on the green. The bus will be back in Morinville by supper time. Those interested in joining, please call Mrs. Rom DeTennancourt or Mrs. Jeanne Houle as the 30 first senior citizens calling will get the seating reservations. Those who wish to go fishing - get your worms and bring your own fishing lines. The bus will do house calls as before!

Rev. Sister Celine at Three Rivers, P.Q., will celebrate her golden anniversary as a religious very shortly. Born Rebecca Tellier of Morinville, she was the first local girl to travel to France to become a novice along with Maria Vaugeois from Legal, who as Sister Elizabeth, long time senior high school teacher

In Morinville, now at Lac La Piche, will also celebrate her 50th anniversary as a member of "Les Filles de Jesus." The order has served as school teachers in Morinville since 1904. The three last members of the congregation here will leave Morinville on June 30. Rev. Sister Lucienne, Rev. Sister Joanne and Rev. Sister Cecile.

Conference marks 75th Anniversary of WI

By Liz McLeod

The annual conference of District 11 was held in Wabamun Hall on May 31 with 66 members and visitors present. The theme of the conference was "One Woman's Vision."

Mrs. K. Mary Dalheim, constituency convener did a marvellous job assisted by Provincial 1st Vice President Mrs. J. T. Morrisroe of Red Deer, Mrs. Vera Holt District 11 Director and Secretary Mrs. J. J. Shenfield of Calahoo WI.

Other visitors were Provincial Secretary Treasurer Mrs. Kay McMillan, past directors Mrs. Nellie Whitson and Mrs. Elizabeth Lelund, Mid Pembina's Director Mrs. Esther Brown and Convenor Mrs. Florence Cameron.

The meeting opened with O'Canada and the Creed, after which there was a moment of silence for departed members. Mr. Bill Purdy M.L.A. gave a very inspiring welcoming address and stressed the need for the WI in the community to press and work for the betterment of all concerned and ended his talk by saying "A diamond is only a piece of coal that has been hard pressed for a long time."

Mrs. Dalheim introduced the ladies at the head table which was gallily decorated

with the floral emblems of each province, and centred by a lovely bouquet of flowers.

The stage was artistically decorated with the coat of arms for each province, plus the Federated WI pin complimented by ribbon and 75th anniversary signs on the wall. Around the foot of the stage were the names of the 13 branches with the flags of all 67 nations where Women's Institutes exist, complimented with bouquets of lilacs. Never before has a branch gone all out and put on such a beautiful display of creative design for in this instance, the 75th anniversary of Women's Institutes in Canada, and Wabamun members, who made all the decorations themselves, are to be highly commended.

Mrs. Morrisroe, in her enlightening speech was so impressed with the display, she asked if she could use it for the National Convention next June in Banff. It was Mrs. Morrisroe's first time to visit a District 11 Conference and she told of her work as 1st vice president. There has been 75 new members join since January 1972 and on her travels, this was the first branch to celebrate a 75th anniversary. She told of the first WI organized in 1897 by Adelaide Hoodless and the many achievements

over the years including preservation of the Hoodless homestead which tourists now view. She spoke also of the International Peace Gardens and any group may write to the National office to obtain slides with the only expense being the group must return them by registered mail.

The Unesco projects were undertaken to help women in underdeveloped countries to learn home making, nutrition and self education so they can help in their communities. The Lesatho project was a landowner purchased to get to these distant places and very inspiring was the organizing of Women's Institute groups.

to date in the North West Territories. Mrs. Martha P. Billish, Past president of AWI was instrumental in this program.

There are now 60,000 WI members across Canada.

In her address Mrs. Holt wanted to pay tribute to the person, since it depends on the individual to make a strong club. She also praised Esther Brown of Echo Hill WI in Mid Pembina for being instrumental in compiling a Book of Memorial at Branch level, Alberta's sister province, Nova Scotia, was the first to print the WI paper "Home and Country."

For lunch the guests were treated to an All Nations Smorgasbord.

It was a real treat to view the many hobbies that members brought. Entertainment after lunch was by Mrs. Peggy Mowry and Mrs. Marion Lee of Darwell who gave a skit: "Save me a Place in Forest Lawn."

Members with 40 years and more service in Institute work were honored and Mrs. C. R. Wood of Stony Plain WI (59 years), Charter member Mrs. Freida Wollard (41 years) Wabamun WI and Mrs. Maria Echerle (40 years) Onoway WI, received corsages.

It was our pleasure to listen to Mrs. C. R. Wood reveal the story of her life and her WI work. She remembered how she with her brother and parents moved from St. Joseph Missouri by chuckwagon pulled by horses one day and a span of mules the next to Oklahoma and the tense moments they had fording rivers and camping. When her parents moved to the Golden West, Stony Plain Cornelia walked five miles to school later becoming a teacher and joining the Women's Institute and riding noseback to organize the Institute at Tomahawk. She has watched Wabamun grow in its 41 years and Duffield 45 years.

Mrs. Wood is the only

woman to have the distinction of being an M.L.A. and a WI member successfully combining the two and after her heartwarming speech, Mary Dalheim presented her with a plaque for her outstanding work in WI while Mrs. Johnson sang "Count your Blessings."

"Memories" was played while the candle lighting ceremony took place. Mrs. Morrisroe entered with the cake (made by Peggy Madlung of Sanguo) and Mrs. Wood lit the first candle. Mrs. Holt the second, Mrs. Dalheim the third and young new members from the branches in turn lit one for each province. Very stirring and colorful.

Alberta's supervisor of creative writing, Mr. John Patrick Gillespie, who judged the writing of the stories and poems delighted the audience with his humor and praised the work of the WI's and also honored Mrs. Wood. Mr. Gillespie praised the stories and poems written and said of the author of the poems, "Here is real talent." The 1st and 2nd prize went to Mrs. Jean Butler of Onoway WI and the 1st and 2nd prize for the short stories went to Wabamun's Mrs. Nessa Watt.

Best secretarial report in 1971 went to Mrs. G. W. Hall, Cosmo WI; Best attendance at meetings in 1971 (87 per cent) went to Calahoo WI.

Most new members since May 1971 went to Wabamun (from 18 to 30). Roll call for this day went to Duffield with six of eight members present.

It is unique that between Wabamun and Darwell WI's they have six sisters, formerly the Campbell sisters, now Mrs. F. Anderson and two Mrs. Wollards, Freida and Gerlie of Wabamun, Mrs. D. Peters, Mrs. L. Travis and Mrs. W. Mutzenek from Darwell present. Wabamun is very proud of their four generations and they are: Mrs. Freida Wollard, Mrs. Gerlie Wollard Jr., Mrs. Freida Stafford and Miss Beverly Stafford who is now a AW Girls club member. Mrs. Mary Dalheim was re-elected constituency convener for another two

years and Stony Plain WI offered to host the conference next year.

The memorable day closed with singing "God Save the Queen" and tea and goodies and fond farewells saw many going many miles home enlightened and enriched by this smoothly run conference.

VIMY NEWS

By Jeanne Laplante

Mr. and Mrs. Amede Gagne are gone on an extended holiday to the north.

Deepest sympathies are extended to Mr. and Mrs. Albert Blanchette who are mourning the loss of Mrs. Blanchette's mother, Mrs.

For the fourth consecutive year the Junior high students have returned from track and field meet with the total point aggregate trophy in the Westlock School Division. Congratulations.

A most enjoyable evening was held in the community hall under the auspices of Followay Fertilizer Sales and Hodge Propane. The evening of dancing was terminated by a lovely buffet supper. A good time was had by all.

Some 17 grade 6 students accompanied by their teacher Miss S. Doucet spent four days at Camp Mackincholea on Island Lake where they joined other students in the Outdoor Recreational League program. This consisted of science, social studies, physical education and creative arts.

Baptismal services were held Sunday for Tynen Lee Vande Lagemaat, infant son of Mr. and Mrs. Tynen Vande Lagemaat. Proud godparents were the infant's uncle and aunt Mr. and Mrs. Yvon Bilodeau.

PRACTICE RESTRICTED FOR THE PRESENT, TO HORSES AND FARM ANIMALS

Report from Villeneuve

By Margaret Borle

The annual parish picnic held on June 3 was favored by very fine weather and a substantial crowd. The games of chance, bingo and concessions kept the spectators busy between ball games. A hot turkey supper was served in the new community hall by the ladies of the parish. Perhaps a highlight of the day was the annual single men against married men ball game that always culminates the picnic. The single boys managed to squeak through by a very narrow margin. Thanks to all our friends from St. Albert, Riviere Qui Barre Edmonton and Calahoo who supported this annual parish effort.

The sympathy of the district is extended to Mrs. Henri Berube at the death of her father.

Mr. and Mrs. Albert Soetaert and Mr. and Mrs. Maurice Verstrete left by plane for an extended tour of Europe. Latest reports were that they were in Italy. They plan to return in July.

Mr. Willie Taylor, one of the SIS exchange students in 1967 is now a graduate engineer and is employed by Calgary Power at Sundance. He has been renewed

ing acquaintances at Villeneuve where he was an exchange student in 1967 at the Andre Borle home.

A very enjoyable evening was held in the Villeneuve Community Hall honouring Judy Sheehan and Bruce Victor who are to be married on July 1st. Bruce is a 1972 graduate of U of A in Bachelor of Science in Agriculture and Judy, a well known young lady of the district, is presently teaching at Gibbons. The happy couple were presented with a purse by those in attendance. Music

was by the Satellites.

Mr. and Mrs. Andre Borle and family attended David's convocation on May 29. David received his degree in Bachelor of Science in Electrical Engineering.

Valerie Durocher, Diane Sheehan and Raymond Soetaert are preparing to leave Monday for a 10 week period of work at Camp He Ho Ha on Lake Isle. These young people will devote their summer to helping the handicapped enjoy summer camp. A very worthwhile

and educational experience.

The tomadic spirit of summer has invaded our midst again. Connie Savole, Jocelyne Durocher and June Borle are making excited plans for July 8 when they leave with the SAHS exchange students for Newfoundland. They will be experiencing four modes of travel enroute, plane, train, bus and ferry.

4H families do not forget the Summer Rally at Accordale on July 6 at 5 p.m.

Hog Board asks Berg to resign

The Board of Directors of the Alberta Hog Producers Marketing Board have asked Mr. Sten Berg to resign as chairman of the board and to carry on as a director and board member.

This decision was reached on Friday, June 2, 1972 by the board in the interests of and in consideration for future harmony. The board commented "it in no way reflects on Mr. Berg personally. He has contributed much to the hog industry and the board recognizes the valuable inputs that he will still contribute in the future."

Dr. Bruce Jeffery has resigned his position as general manager of the Alberta Hog Producers Marketing Board, as he feels that he could not function without Mr. Berg as chairman.

Mr. Gordon Holstrom is

appointed as acting general manager until the board makes a decision on a new general manager.

Avid young Eskimo fans kept these players busy signing autographs while they were on the Mall Saturday. St. Albert's Bayne Norris is at centre with Henry King at right and rookie Wayne Harnet at left.

The float of the Welcome Wagon Newcomers Club, which together with one done by the Scouts and Cubs made a tour around St. Albert Sunday, carrying such youngsters and adults who showed up on Grandin Road at 10 a.m.

Single parents invited to meeting

The single parents group, which was organized in St. Albert last January, has now been functioning successfully as a social club for five months.

Group activities of interest to children have included skating, swimming, picnics and barbecues, while for adults there have been dances and house parties, plus, of course the activities enjoyed by the children.

While the planned events have been successful in terms of the enjoyment of the participants, the Single Parents Group has, so far lacked a formal structure. Furthermore it is certain that a large number of single

parents in St. Albert are still missing the opportunity to meet people with the same mode of life as themselves.

In an effort to establish a more formal organization and to attract new members arrangements have been made to hold a meeting in the basement of the United Church, at 8 p.m. on June 27th. All interested single parents are cordially invited to attend.

Further information may be obtained by phoning 599-5149 or 599-4897.

The Orr's Win Bosch Intramural Trophy

The 1971-72 Intramural events of the Albert Lacombe School culminated with the presentation of the annual trophy. During the school term all the students in Albert Lacombe School competed for points that were assigned to four different houses.

The intramural program involved scholastic as well as sports events. All people in the school are assigned to four houses, Orr, Harrison's, Buckley's and Richardson's. Some of the sports were Newcomb Ball, Ping-pong, Shanny, Soccer,

Lady Lions Wind Up Season

St. Albert Lady Lions held their last meeting of the season June 12 at Lion's Park, and, in spite of rather cool breezes, enjoyed a steak barbecue with all the trimmings.

The club regrettably bade farewell to Johanna Tolman shortly to be leaving these parts. Johanna was presented with a souvenir spoon by President Bert Preethy. Presentation of perfect attendance pins was also made.

The ladies club has donated several pieces of equipment to the park this year, and it should be a real fun place for the children this summer.

Though members will be still standing by, to help if needed, throughout the summer, there will be formal meetings until Sept. 11.

The ladies, under the capable guidance of Past President Cindy Ryley, have enjoyed a very busy and happy year, and look forward to an equally rewarding one with President Bert next year.

Kick and Run, Bombardment and Track and Field. Scholastic events included choir, emblem contest, oratorical contest and classroom participation.

The trophy was donated by Mr. M. Bosch.

Dianne Sandomirsky feted by Guiders

Dianne Sandomirsky, who has been active in the Girl Guide movement in St. Albert throughout the nine years she has made her home here, was feted at a wine and cheese party in the Parish Hall last Thursday evening, by Guiders,

past and present, of the St. Albert Division.

About 35 guide leaders were present for the occasion and they combined their talents to compose and present a series of hilarious skits, based on the 10 Girl

Guide laws. Each skit tied in anecdotes and examples of Dianne's work as a guider in original fashion, and many were the laughs provided by the amateur actresses.

Dianne actually began working with Guides in Ontario, and joined the 8th Brownie Pack on coming here as a Brown Owl. She served as District Commissioner for Mackenzie district, Division Commissioner for St. Albert and is presently Deputy Provincial Training Commissioner.

Lita York, division commissioner, presented Dianne with Girl Guide bookends and a Brown Owl door knocker, on behalf of the division. Mrs. Pat Coward, deputy commissioner made the arrangements for the special evening.

The Sandomirskys will be moving to Calgary in the Fall.

Militia Offers Summer Jobs To 165 Students

The Canadian Armed Forces Militia announced this week a plan, through the Student Summer Employment Program, that 165 vacancies for young men and women remain open. Major Lee Ahlstrom, in his release added that applications were being received from unemployment students, between the ages of 17 and 24 and willing to start working July 3.

The program of earn while you learn pays \$61.80 per week for six weeks. The young people who take advantage of this opportunity will be trained in such subjects as First Aid, Defensive Driving, Hunter Safety Map Using and Leadership. In addition, those participating will also become extensively involved in sports and water safety.

Major Ahlstrom says there is no obligation to remain with the Militia fol-

lowing the summer's program, "although, if you wish to remain in a unit of your choice, you are more than welcome," he said.

Those interested call the Prince of Wales Armoury at 424-4288 Monday to Friday between 8:30 a.m. and 4 p.m. "Or better still," he says, "come down and see us."

Bike Contest Winners

The Kinettes appreciated the number of youngsters who participated in the Bike Decorating contest Friday morning, and apologize to those who were unable to come due to the bad weather that forced cancellation of the parade.

The three judges were Mrs. Sadie Ross, Mrs. Eileen Gibbon and Mr. Clifford Keyes, and their task

was not easy, as the children went to a lot of hard work. Andrew McCormack of 46 Grandora Crescent won the "most original" category, Chris Davidson of 26 Sable Crescent won the "western" section and "most comical" went to Darren Heming of 8 Savoy Place. Special mention was awarded to Troy Rickson of 14 Garden Crescent.

MR. & MRS. GUY NOBERT

Nobert - Hebert Wed

Miss Yvette Hebert and Mr. Guy Nobert were united in an afternoon wedding ceremony on June 3, 1972, in the Roman Catholic church of St. Albert. The celebration was performed by Rev. Colin Leverage; assisted by Rev. Denis Hebert and Rev. Lucien Tellier. Mrs. Bertha Kennedy was organist while Guy and Roger Hebert were soloists. Miss Hebert is the daughter of Mr. and Mrs. Georges

Nobert of Morinville.

Given in marriage by her parents, the bride was radiant in a white, floor length gown of sheer over satin featuring a lace bodice and an A-line skirt. A train fell from the waistline over the dress skirt. Her short scalloped veil of net was held by a crown of daisies. Her bridal bouquet was a cascade of yellow roses and white carnations.

Her two attendants were Mrs. Stella Bellwood, friend of the bride; as bridesmaid, and Miss Colette Hebert, sister of the bride. Both wore matching gowns of yellow sheer accented by floral printed skirts. Each carried a bouquet of white carnations and orange daisies.

The best man was Norman Bellwood, friend of the groom. The other attendant

was Laurier Nobert, cousin of the groom.

Following a wedding banquet, a reception and dance was held for 300 guests in the Morinville Centre with Mr. Leonard Nobert, cousin of the groom, as master of ceremonies. Mr. Guy Hebert, brother of the bride, proposed the toast to the happy couple.

For her daughter's wedding, Mrs. Rose Hebert wore a mint green full length gown with matching lace, floor length vest, white accessories and pink roses and corsage.

Mrs. Nobert chose a baby blue floor length gown with matching lace, floor length overcoat, white accessories and white orchid corsage.

Mr. and Mrs. Guy Nobert are making their home in Edmonton.
